Tomorrow, February 19th for grades Pre-K – 5th grade.
Please no guns, weapons or spurs.

Authors and Illustrators Books

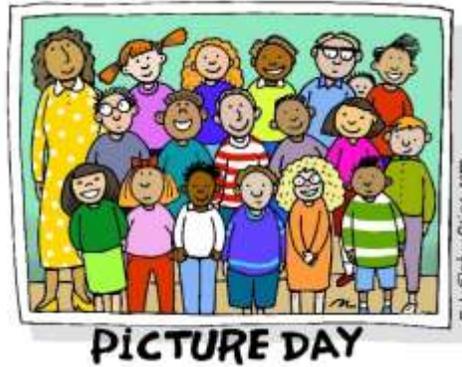

It's time for our annual opportunity to write your own book. Students in Kinder to fifth grade who wish to participate in the Authors and Illustrators program can create their own book. The book can be fiction or nonfiction.

Students may have parents help them by typing their stories and assembling the book pages. Illustrations must be done by the students. Students may work in pairs if they choose to do so. Students may only submit one book. The book will be evaluated by teachers who will rate them. Certificates will be given to all participants.

All books will be due on or before February 20.

If you have questions, you may contact our librarian, Miss Darlington at sdarlington@fbauc.org

Adventure Awaits at the FBA Book Fair

Please join us for our FBA Book Fair from March 2-6. The theme this year is Adventure Awaits. We will have many adventurous books as well as regular books to choose from. We will also be open on March 3 which is the night of the Kindergarten-Second grade concert. Your support helps our library to obtain many new books. We hope to see you there.

We are in need of volunteers to help with the Book Fair. Volunteers will assist students with wish lists, monitor students shopping and helping pack up after the Book Fair is over.

If you are available to help, please contact Miss Darlington or Mrs. Edwards at 210-658-5331 ext. 321.

ATTENTION parents of **CURRENT 8th** grade students.
If your child will be attending 9th grade at FBA for the 2026-2027 school year there is a **MADATORY PARENT** meeting Monday, February 23rd at 4:00 p.m. in the lunchroom (Faith Building)
