E.A.G.L.E.S

Expressing the Abundance of God's Love, Encouragement, and Salvation

We are in our ninth year of doing our E.A.G.L.E.S project and are very excited! The E.A.G.L.E.S is a volunteer project in which the whole school comes together to be God's hands and feet. This year we are partnering with our community to build holiday baskets for our neighbors in need. These baskets will be distributed right here in the Greater Randolph Area. Our goal is to help build 50 or more baskets. Alone this would be a big task, but together we can meet our goal. More importantly, we can help others experience the love of Jesus.

We ask that you find your child's grade and send in the item listed to the classroom teacher. We only ask that you bring the item listed, but if you desire to do more please do! At the same time, we also know that not everyone is able to donate and we completely understand. This is a volunteer project only.

We do need all items by
