# Student Illness REMINDER

**A reminder to all students:** If you are not feeling well during the school day, you may not text or call your parent/guardian to request to be picked up without first visiting the nurse's office.

All students who are feeling ill during the school day, must report to the nurse's office to be evaluated. The nurse will contact the parent/guardian regarding the student's condition and discuss any necessary next steps.

This procedure helps ensure that students receive proper care, that health concerns are appropriately addressed, and that parents/guardians are contacted through the proper channels.

## Note to Parents:

Please communicate this procedure with your child(ren) so they understand the steps to take if they are not feeling well at school.

**REMINDER: Students should not be using their phone during school hours.**

*Thank you for your cooperation in helping us keep all students safe and healthy!*
